Maths

Learn the 2x table

Learn the 10x table

Learn the 5x table

Practise telling the time on
an analogue clock (this is a
clock with hands). o'clock,
half past, quarter to,
quarter past

Curriculum Theme

R.E. Think about the Creation story. Make a poster / picture to show what God made on each day.

PSHE What job do you want to have when you are an adult? Draw a picture of you doing this job and write a list of things you need to do between now and then to be able to have this job. Also write about why you think you'd be good at this job.

GEOGRAPHY Where in the world would you like to go? Why? Write about the place you'd most like to go. You must include which continent it is in, which oceans are near it, how you would get there, the famous physical and human features it has.

SCIENCE Think about what you have learnt about habitats in Science. Using a shoe box / small box and some craft materials make a habitat for your favourite wild animal.
