

Homework - Spring Term 2

This half term we will not be using Homework books. Instead, the children will be bringing home some quizzes - reading or maths. The instructions for how to complete them will be on the front cover of each booklet.

Of course, if you need any help, just message us on Dojo.

Here is an example of one of the booklets the children might bring home:

SPRING 2 - Homework 1 To be returned on 26th February 2024

2019 national curriculum tests

Key stage 1

Mathematics

Paper 1: arithmetic

* The paper is not strictly timed, but it is expected to take approximately 20 mins.
* You can read numbers, but not mathematical symbols (+ - x ÷)

First name	
Middle name	
Last name	

* Before starting, remind your child what the following mean
+ addition
- subtraction
x multiplication (there are — groups of —)
÷ division (grouping or sharing)

* Encourage your child to do jottings and to check answers.

* Manipulatives (counters, cubes, rulers, numberlines etc) are not allowed.
