Times Table Rock Stars Practice 2, 4, 6 and 8 times tables.

Times Table Rock Stars Practice 7, 8 and 9 times tables.

Times Table Rock Stars Practice all your times tables.

Curriculum Theme

Humanities

Our focus this half term is the Ancient Greeks. The pottery and vases of Ancient Greece gives us a significant insight into what life used to be like in Ancient Greek times. We would like you to design and create (it doesn't need to be 3D) your own Greek vase showing an aspect of Ancient Greek life or a scene from an Ancient Greek myth. An ideas sheet is available to give you some inspiration. Due: Wednesday 24th April

Art

Find examples of sculptures in the UK. You could draw them, make a PowerPoint or create a poster of them. Maybe you could visit an art gallery in person, or online, and record what you saw. You could focus on one sculpture, one artist or lots of different ones. The Yorkshire Sculpture Park, Barbara Hepworth and Henry Moore are good places to start if you are stuck. Due in: Wednesday 8th May

Science

Over the first few weeks, we will be looking at the human digestive system and the function of the organs within it. Once we have covered the digestive system, it would be great if you could try to draw and write a comic strip story about a piece of pizza as it journeys through the human body. A homework sheet will be sent home after the first two weeks of term. Due in: Wednesday 22nd May
