Square Numbers

Curriculum

Science

Due in: Wednesday 22nd January

Create an investigation about gravity. You will need to think about how you might test how gravity works, this might be how quickly different sized objects fall to the ground, or whether the weight of an object affects the gravity acting upon it. You need to write up and conduct your investigation, just like we do in our Science lessons at school.

Humanities

Due in: Wednesday 5th February

Research the various propaganda posters that were used by the Home Front in Britain. Recreate the one you think would be most powerful in motivating civilians of Britain to 'do their bit' to help the war efforts. Explain why you have chosen it and why you think this is the most powerful.

Art

Due in: Wednesday 12th February

Design the packaging for a fizzy pop can. Include the brand name. This must be inspired by Pop Art and artists and designers such as Andy Warhol and Roy Lichtenstein.
