Curriculum Theme

Science - Evolution

This half term we will be learning about Evolution. Charles Darwin is a famous scientist who wrote the theory of evolution and we will be learning more about him in this unit. To support you learning, we would like you to do some research on Charles Darwin and his life. You can present this work any way you would like. **Due in: Wednesday 20th November**

Humanities

Design your own treasure map. Use the grid paper provided to draw your own treasure map. Be sure to create a key on the side for your own symbols and include these on your map! **Due in: Wednesday 4th December**

DT

Look at the examples of the bridges on your sheet. Use a tablet or computer to find out interesting information about beam, arch and suspension bridges. **Due in: Wednesday 18th December**
