Art- We would like you to research different portrait artists and write a fact file on the portrait artist of your choice. You may include examples of their work.

Science - Using any materials you want, create a model or diagram of the Milky Way Solar System. Annotate with facts about the different planets and moons.

Humanities - This term we are studying the ancient Maya. We would like you to research and present information on the famous Maya game Pok-A-Tok. You might choose to write a set of rules/create a poster/produce an audio commentary or Powerpoint.
