Curriculum Theme

Humanities

This term in Humanities we are focusing on the Romans and the impact they had on Britain. We would like you to research and present a fact file (it could be a poster/PowerPoint/leaflet) on an aspect of Roman life e.g. clothes/religion/homes/gods and goddesses or the Roman Army.'

Science

This term we are looking at Forces & Magnets. Create a poster showing what forces you can see in your everyday life e.g. swings, door handles (push and pull), chair, tables standing still (gravity). We are looking for diagrams, written text, posters videos or PowerPoints to explain each force.

Art

We are painting based on the theme of Natural Disasters. The focus is on colour mixing for purpose. Look at the examples of the paintings above. The artists have used tones of red to give the impression of warmth. Using these ideas, can you replicate, or create a picture of your choice using warm colours.
