Jill Krusts
Community Governor

My name is Jill Krusts. I am a Community Governor at St. Michael's. I was previously an Associate Governor and have been a member of the governing body for over 12 years. It has been great to be involved in St. Michael's journey and my favourite thing about being a governor is meeting the children, listening to their views and realising how well they know the school's values. It is also great to see the enthusiasm both the children and staff must make St. Michael's such a positive place to learn.

My background is in early years education, and I am currently the Children and Family Centre Manager at St. Michael's. My passion is working with children and families in the Bedworth area, and I am lucky enough to be able to see children and families flourish and grow. I believe that every child and family should have the best start in life and be provided with opportunities to become the best that they can be. I am keen to support the whole of St. Michael's to achieve this.

The other passion in my life, apart from my family, is sport. I enjoyed playing netball for many years and I now follow lots of sports and I'm an avid football fan.
