

Summer Term 1 - Year 2 Homework

Geography - to be handed in on Monday 19th May (You could do one country a week!)

Think about all the learning you have done about the United Kingdom. We would like you to produce a guidebook, that includes information about the UK.

In your book you might like to put:

*A contents page

*Blurb

*Information about the four countries of the UK. For each country this information could include things like:

- >Flag of the country
- >Capital city
- >Human and physical features (including landmarks)
- >Interesting places to visit
- >Famous people who were born / live there
- >Other interesting facts
- >Illustrations and pictures

Remember, don't just print things off the internet and stick them in your book. You need to be sure you can share and talk about what you are putting in your book. Make sure you 'Aim High' and have 'High Expectations' of your learning.

There will be some prizes for the guidebooks we find most interesting.

If you have any questions, please ask us or message us on Dojo.

 United Kingdom	 England	 Northern Ireland		
 Scotland	 Wales	 London	 Belfast	 Edinburgh
 Cardiff	 city	 town	 landmark	 flag
 visit	 human	 physical	 geography	 feature
